

Meet Our Candidates

Christina McCartney (D)

Candidate for Planning Commission Alternate, New Fairfield

Christina is currently a Planning Commission Alternate.

Christina McCartney is an Alternate on the Planning Commission, chairs the Conservation Inland/Wetlands Conservation Commission, and has extensive knowledge of New Fairfield and its environmental resources. She actively participated in the most recent New Fairfield Plan of Conservation & Development (POCD). Her two daughters have gone through the New Fairfield schools (youngest graduating in 2026), and she is aware of the challenges as well as the wonderful rewards that their fine education has brought to their futures. Christina wishes to continue to work towards New Fairfield's long-term sustainability, preserving what is important to the town, while reasonably managing growth and infrastructure. Knowing how lucky we are, living in such a beautiful town, she wishes to help bring the plans in the NF Plan of Conservation & Development to fruition.
