

Meet Our Candidates

Rick Regan (U)

Candidate for Board of Finance, New Fairfield

Rick Regan served four years on the New Fairfield Board of Education (2017-2021) where his contributions include: creating the superintendent evaluation process; instituting the audit process used to monitor administrative access to email and documents; advocating for a modern district website and getting it funded in the budget; chairing the subcommittee investigating a healthier high school start time; voting with the board to build the new elementary school and new high school. Rick has a Ph.D. in computer science and is a retired software engineer. If elected to the Board of Finance he will bring his mathematical and analytical skills to the oversight of the town's finances and to address issues such as financing the construction of a permanent bus lot; rebuilding the medical reserve fund; funding a capital improvement plan appropriately year to year; exploring new sources of non-tax revenue; and passing the annual budget with a single referendum.
